Consent form to be completed and signed by the donor:

- I hereby consent to donate my blood.
- I confirm by my signature that I have thoroughly read and understood all of the information sheet for blood donors and that any queries were satisfactorily answered.
- I confirm that my personal data are correct and the answers to all questions are true and accurate.
- I consent that the blood I donate undergoes testing, which may include genetic methods if necessary, and that a sample of my blood will be stored for possible subsequent tests according to the Federal law on therapeutic products. I agree to be informed about abnormal results.

- I consent that part of my donation may be used for the preparation of medicinal products.
- Personal information given in connection with blood donation is subject to medical secrecy. It may be used within Swiss Transfusion SRC (T-CH) and the Regional Blood Transfusion Service (RBTS). The Regional Blood Transfusion Service is legally obliged to respect the Data Protection Act and to report notifiable diseases to the authorities. Only coded information (donor and product numbers) and blood group characteristics are passed on for patient care.
